Happy New Year!

Colored Sheep Factory in Kilbridge!

Cagy has built a new Colored Sheep Factory in Kilbridge, offering a great spot for players who don't have Diamond VIP status to get as much colored wool as they need. This creative addition ensures everyone has access to vibrant resources for their projects. Be sure to stop by and check it out!

Hide and Seek!

LNDN, Leaf, Cagy, Gnome, and Masyn brought excitement to Spawn City this month with a fun game of hide and seek. The city's nooks and crannies provided the perfect setting for an afternoon of laughs and surprises. Who will find the best hiding spot next time?

First Round's on Me!

Kilbridge just got even better with the opening of a brand-new pub! Whether you're looking for a place to relax, socialize, or celebrate after a long day of adventuring, this new spot is the perfect addition to the city. Stop by and raise a glass!

Spawn City's Recreation Square has been beautifully decorated for Valentine's Day! Whether you're celebrating with friends or just enjoying the festive atmosphere, stop by to take in the decorations and enjoy the holiday spirit.
