## November 2024

Here's what happened this month:

### Cagy's Working on Something **BIG...**

Cagy, with help from LNDN, has built a new city on the beach north of Spawn City. Introducing Riva Azzurra: A quaint, little beach town featuring top-class amenities and luxury cabins. Go check it out!

### Sailboats Around the World

Have you noticed any sailboats while exploring? Cagy has been placing small sailboats across the server, adding a fun, nautical feel to the world. You'll find them in the bay, along rivers, and even in the middle of the ocean. See how many you can spot!

### Introducing the D.U.M.P.

The Department of Unwanted Material Processing (D.U.M.P.), built by Cagy, is now open! Here, you can place your unwanted items into designated chests for processing. It's a simple and organized way to clear out your inventory while keeping the realm tidy. Check it out today!

## The Survival Games

This month, Doulos hosted a Survival Game event. The players—Doulos, LNDN, Leaf, Triny, and Cagy—battled it out in an intense competition to be the last one standing. After a tough fight, Triny came out on top. Great job, Triny, and thanks to everyone who participated! We hope to see even more players in the next event.

## Casino Slot Machine Fixed

Good news—the slot machine in the Spawn City casino is working again! If you're feeling lucky, stop by and give it a try. You might just hit the jackpot.

## Vandals Loose!

On Sunday, November 24, a mass vandalism was discovered at the PvP arena. Investigators suspect that the perpetrator went through the arena with a pickaxe, damaging the walls and the skull centerpiece. The destruction was extensive, but thanks to the quick efforts of the community, the arena has been fully repaired. The culprit has not yet been identified, so stay vigilant and report any suspicious activity to Doulos.

## R.I.P. Gizmo

This month, we lost a special member of the server. Torqued murdered Cagy's dog, Gizmo, in a shocking event that left the community saddened. Gizmo was a loyal and beloved companion, and his presence will be deeply missed. Rest in peace, Gizmo—you'll always be remembered.

## Player of the Month!

### *Triny*

This month's spotlight shines on Triny for his impressive win in the Survival Game event. His determination and strategy made him stand out and earned him the victory. Well done, Triny!

## Builder of the Month!

### *Cagy*

This month's Top Builder is none other than Cagy! From constructing the new city of Riva Azzurra to building the D.U.M.P, and even scattering charming sailboats across the realm, Cagy's creativity and hard work have left a lasting mark. Her contributions have added so much character and beauty to the realm. Congratulations, Cagy, and thank you for your dedication!

## What's Coming Up?

Exciting news! Doulos is planning to host another Survival Game event soon. It's a great chance to show off your skills and compete for victory. Stay tuned for more details, and be ready to join the action!

## Have an idea?

If you have any ideas for events or projects, let us know! Share your ideas on the Discord in the #ideas channel. We're always looking for new things to do and build on the server. Your creativity is what makes this place special.

## That's all folks!

That's all we have for this time! We appreciate you all for being on the realm and contributing to everything that makes it such a great place. We're looking forward to seeing what happens next and sharing it with you soon.
